

p – Phenetidine

Structure

Formula:	C ₈ H ₁₁ NO
CAS-No.	156-43-4
EINECS-No.	205-855-5

Specification

Appearance	oily liquid
Colour	colourless to yellow/brown
p-Phenetidine	min. 99,0 %
o-Phenetidine	max. 0,5 %
m-Phenetidine	max. 0,1 %
p-Chloroaniline	max. 0,1 %

Transport, Toxicity and Hazards

Please refer to our safety data sheet..

LANXESS Distribution GmbH / Katzbergstr. 1 / 40764 Langenfeld / Germany / www.lanxess-distribution.com

This information and our technical advice - whether verbal, in writing or by way of trials - are given in good faith but without warranty, and this also applies where proprietary rights of third parties are involved. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and uses. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with the current version of our General Conditions of Sale and Delivery.

In the United States of America the LANXESS business is conducted by LANXESS Corporation, Pittsburg, PA. Customers in the US are kindly asked to address their requests directly to this legal entity.

LANXESS AG, Leverkusen, Germany
